

INSTRUCTIONS

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal regulations indicate that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent that signed the FAFSA (or your spouse in the case of independent students) must complete and sign this worksheet and submit the form with any other required documents to our office.
