

2024-2025 Noncustodial Profile Waiver Request

This form should be used by aid applicants who are requesting the waiver of noncustodial parent data. Information about George Washington University's Parental Contribution for Dependent Students Policy is available on our website (https://financialaid.gwu.edu/policies).

Attach to this form a letter to explain why you are unable to provide noncustodial information. The letter should be as specific as possible and include a description of the history and current status of your relationship with and financial support provided by your noncustodial parent. Include any supporting documentation, such as legal/court documents, letter from an attorney, member of the clergy, therapist, teacher, guidance counselor, or other non-family member who is familiar with your circumstances. Any letters submitted on your behalf should include the person's name, address, phone number, and relationship to you (the student). Waiver requests submitted without supporting documentation and/or third party corroboration will be reviewed, but tend to be less compelling and thus are less likely to be approved.
